- When ordering, please list the proof numbers in numerical order from lowest number to the greatest for ease of finding the negatives and submitting the order to the lab.

- Remember that wallets are ordered in blocks of four. So, if you list “1” under the wallet column, you’ll be ordering “one set” of “four” wallets.

• If you need more order forms to complete your reprint order, please print more from our ***“reprint”*** page at **www.marsdell.com**

- Be sure to list Black & White reprints from each proof on a separate line and note them as “**B&W**”.

• We crop (or eliminate) un-needed background from all pics at our discretion. If you'd like a print cropped tighter (closer) than normal, please indicate that on the order form.
